## P/N 89110

Enclosed hose reel in ABS for air-water 20 bar with  
hose 11 m  $\varnothing$  6 x 10 mm

### AREAS OF USE

Aeronautics, Agriculture, Automotive, Cleaning,  
Building and road construction, Chemical industry,  
Manufacturing industry, Mining industry, Lube trucks  
and transports

### FEATURES

|                               |                           |
|-------------------------------|---------------------------|
| Pressure                      | 20 bar                    |
| Compatible fluids             | air - water               |
| Swivel joint                  | brass                     |
| Seals                         | Viton®                    |
| Characteristic                | swivelling                |
| Material                      | technopolymer             |
| Couplings                     | brass                     |
| Hose                          | p/n 971.011               |
| $\varnothing$ and hose length | $\varnothing$ 1/4" - 11 m |
| Inlet                         | G 1/4" (m)                |
| Outlet                        | G 1/4" (m)                |
| Reel flow path                | -                         |
